Cross Listing:

Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: This course is being dropped because it is no longer offered in our revised B.A. curriculum, which was approved two years ago. It was replaced by similar courses, TA 326 and TA 336, which are a more streamlined and effective way of teaching acting/performance to our majors. (We have no undergraduate students who are required to take this course under the old curriculum as they have all graduated or switched to the new curriculum.) Our recently approved, revised, B.A. curriculum was mandated by our accreditation agency, the National Association of Schools of Theatre.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:

Drop Course Report

Is this course currently included in the University Studies Program?: No

¹ The effective data for a dropped course is the first term when the course is not available, NOT the last term the course is offered.
2 Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.
3 Signature of the chair of the cross-listing department is required on the Signature Routing Log.
4 In order to change a program, a program change form must also be submitted.
