Rationale for Proposal:

The Department of Theatre created a new basic acting course, TA 120, as part of the UK Core curriculum for Intellectual Inquiry in Arts and Creativity that is comparable in content to TA 126, Acting 1: Fundamentals of Acting. In TA 126, students focus on basic acting techniques and their applications in plays and performance. In TA 120 students focus on similar acting techniques, and also the ways that they can be utilized to create an ensemble based acting project. Both classes fulfill the curricular requirement that a student in the Theatre Minor will have acquired applied knowledge of the acting process.

Will this program be printed in the Bulletin?
