Janie - Below is an excerpt from the 10/23/12 Undergrad Council minutes with the specific agenda item highlighted. It was strictly a title change - from - Family Studies; changing to - Family Sciences.

I have copied Joannie Ett on this as she may be able to provide a copy of the proposal. I do not have a copy of it; but, this request has been in the works for a while. The proposal keeps getting lost in the system.

Thank you for looking into it!

Louise

Are you looking for a specific course? Or a program? I only have a change to a program received in his office on 1/25/13 changing the BS in Family Sciences which was sent on transmittal 3/19/13.

If you could be more specific about exactly what you are looking for, I can do more research.

Hello, Janie -

This is to check on the status of the title change for a Minor - from - Family Studies; changing to - Family Sciences. Undergraduate Council minutes from October 23, 2012 show that the title change for the Minor was approved; but, I have not found it on a Senate Transmittal.

Is it set to appear on an upcoming transmittal?
