The new General Education curriculum is comprised of the equivalent of 30 credit hours of course work. There are, however, some courses that exceed 3 credits & this would result in more than 30 credits in some majors.

- There is no foreign language requirement for the new Gen Ed curriculum.
- There is no General Education Electives requirement.

Please list the courses/credit hours currently used to fulfill the University Studies/General Education curriculum:
HON 151 (3 hours, Humanities), HON 152 (3 hours, Natural/Physical/Mathematical Sciences), HON 251 (3 hours, Social Sciences), HON 252 (3 hours, Arts and Creativity)

3. Explain whether the proposed changes to the program (as described in sections 4 to 12) involve courses offered by another department/program. Routing Signature Log must include approval by faculty of additional department(s).

The proposed change is to lower-level Honors requirements to allow students to choose two Honors courses either in the listed HON 151/152/251/252 offerings or Honors courses/sections in existing UK Core courses. Under the curriculum approved last by the Senate, this requirement is limited to only those courses in Intellectual Inquiry areas; we are requesting that this limitation be removed. This doesn't affect courses in other departments directly, but allows other departments to offer a broader variety of Honors courses in existing courses.

14. Rationale for Change(s) – if rationale involves accreditation requirements, please include specific references to that.

Because HON seminars at the lower levels satisfy Inquiry areas in UK Core, our Faculty of Record believes that departments offering Honors sections of courses should be able to offer them in all Core areas, not just Inquiry. This will allow students the opportunity to meet more of their Core requirements through Honors coursework, and will grant departments greater flexibility to offer Honors sections in existing courses beyond just Inquiry courses.

15. List below the typical semester by semester program for the major. If multiple options are available, attach a separate sheet for each option.
