Sheila,

Thank you for the follow-up email. [REDACTED] was granted substitutions by the DUS for the two GER Core courses – GER 363 was approved to replace GER 495 and a second completion of GER 311 was allowed to count for GER 312. The APEX exceptions were processed, but now APEX is pulling an Invalid Major Code and the exceptions will not be present on a “What-If” audit. Dr. Rogers also implies that the same issue with APEX had happened previously in the Spring term. I have included the email with my correspondence to Dr. Rogers regarding the substitutions below.

Holly,

[REDACTED] needs GER 495 waived, it is not offered in the fall and she is graduating this December. We replaced it with GER 363.

[REDACTED] also took GER 311 twice, one of those should be used as a substitution for GER 312.

I am a bit confused because I sent these substitutions in last spring.

Let me know if there are any questions or if there are still any issues we need to resolve to get her graduated on time. She has done everything we want her to do in German.

Jeff
