Dear Senate Council,

The College of Arts and Sciences is requesting that the two college departments in SAP be combined into one department, the department of 'Arts and Sciences'. Currently there are two college departments in SAP the department of 'Arts and Sciences' and the department of 'The College of Arts and Sciences'. The latter department houses historic- discontinued- programs and courses.

To alleviate confusion when choosing a department in Curriculog the College of Arts and Sciences would like to move the historic data to the department of 'Arts and Sciences'. This would eliminate the second department, the department of 'The College of Arts and Sciences'.

Sincerely,

Anna Bosch  
Associate Dean for Undergraduate Programs
