Dr. Phil Kraemer
Interim Assistant Provost
For Academic Enrichment

Dear Dr. Kraemer,

With this memo, I am asking that you serve as Interim Academic Officer for Undergraduate Education until all students currently assigned to Undergraduate Studies are assigned to individual colleges or June 30, 2017, whichever comes first. In this role, you will serve as signatory authority for things such as retroactive withdrawals, etc. for these students as previously handled by the Associate Provost for Undergraduate Education.

Thank you for performing in this interim role.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. S. Tracy'.
