

Senate Council ad hoc Technology Committee

v. 2016-11-25

Charge:

- Review the structure of and relationship between existing technology committees (defined in AR 10:2 – <http://www.uky.edu/regs/files/ar/ar10-2.pdf>) and senate committees and propose changes to:
 - ensure effective faculty and student input;
 - streamline processes;
 - reduce redundancy.
- Review technology proposals that affect faculty and students and endorse or propose changes to them.
- Provide a channel for communication between faculty/students and campus IT and administrative units about technology proposals and technology infrastructures.

Membership:

- Six members, to include representatives of the standing committees defined in AR 10:2 (<http://www.uky.edu/regs/files/ar/ar10-2.pdf>) and standing Senate committees identified as critical conversation partners in this ad hoc committee's charge as well as members drawn from the faculty and student bodies.
- Committee composition:
 - Mark Lauersdorf, chair
(Arts & Sciences; IT Coordinating Committee member; Senate Research and Graduate Education Committee chair; Senate Council member)
 - Margaret Bausch
(Education; IT Coordinating Committee member)
 - Roger Brown
(Agriculture, Food, and Environment; Senate Distance Learning Committee chair; Senate Rules Committee member; Senate Council member)
 - Sarah Kercksmar
(Communication and Information; Academic Computing Committee member)
 - Beth Kraemer
(Libraries; IT Coordinating Committee chair)
 - Student member – to be named

Charge and membership approved unanimously at the Senate Council meeting of 17 October 2016.
