

The SAASC convened on Thursday, April 25, 2019 to consider a proposal from the College of Business and Economics regarding changes to upper-level admissions policy requirements.

Attendance: Brad Kerns, Tom Troland, Azhar Swanson, Shawn Caudill, Susan Effgen, Kevin Donohue, Herman Farrell (Chair)

Kevin Donohue served as facilitator of this proposal.

Discussion:

The proposal provides for a change to the Upper Level Admission Policy, removing the 60 semester hours requirement. "This proposed change is an effort to streamline high-achieving students into upper-division courses. Note that there are no changes to the premajor requirements, GPA requirements, or any individual course prerequisite requirements. Operationally we have provided "classification overrides" for students, a process that would no longer be necessary with this change. Because overrides have been provided in these situations for a number of years, this is not expected to change the classroom demographics, only ease the current process."

Vote:

A motion was made and seconded that the SAASC approve the proposal to close the program.

The vote in favor was unanimous.

CHANGE UNDERGRADUATE DEGREE PROGRAM

PLEASE NOTE: To ensure that a series of changes to an existing degree program does not essentially create a new program, the Southern Association for the Accreditation of Colleges and Schools (SACS) requires submission of its Substantive Change Checklist for every program change. Prior to college-level review, you must fill out and submit the [SACS Substantive Change Checklist](#) to the Office of Institutional Effectiveness. Contact Institutional Effectiveness (OSPIE@uky.edu) for assistance.

Once approved at the college level, your college will send the proposal to the appropriate Senate academic council (HCCC and/or UC) for review and approval. Once approved at the academic council level, the academic council will send your proposal to the Senate Council office for additional review and then a 10-day posting online, during which senators review on their own and have an option to register an objection if they so desire. If no objection is raised to the Senate Council Office within ten days of the posting the proposal, then the program change is approved. The Senate Council Office will report approvals to the Provost, Registrar and other appropriate entities, including the contact person.

For every proposed change, you MUST also include the existing requirement.
