

MEMORANDUM

FROM: Jennifer Siebenthaler, Associate Dean for Undergraduate Affairs

SUBJECT: Premajor Requirements – add MA 137 Calculus I as a math option

DATE: March 12th, 2020

The Gatton College of Business and Economics proposes to add MA 137, Calculus I, as a math option for the premajor requirements. Support from the Math Department was provided.

In alignment with the Gatton College of Business and Economics operating rules and procedures, details of the proposed premajor requirement option was presented to all faculty at the March 2, 2020, College faculty meeting and subsequently circulated via e-mail to all faculty. An electronic vote was administered subsequent to the discussion period.

The faculty voted to approve the proposal as of March 11th, 2020.

Dear Jennifer,

I spoke with Uwe and we both support your request to add MA 137 to the College of Business & Economics' list of pre-major course options. MA 137 is comparable to MA 113 in term of content and prerequisites. It has a different flavor in the applications discussed in it (more life science oriented) as compared to those discussed in MA 113 (more engineering oriented). All our math courses that have MA 113 as a prerequisite also list MA 137 as an alternative.

I hope this fully addresses your request.

Regards, Alberto

Subject: MA 137

Dr. Corso and Dr. Nagel,

Good afternoon! I am writing to request your support to add a course to the College of Business & Economics' list of pre-major course options. Currently, B&E requires students complete either MA 123/MA 162 or MA113/193 as a pre-major for our college. We have had a number of students switch majors into our college after completing MA 137. The College would like to include MA 137 as an option to complete our math pre-major requirement. We expect the current courses will continue to be the primary path to complete the requirement but would like the MA 137 option to be available for students.

Please let me your thoughts or concerns.

Best,

Jennifer Siebenthaler PhD, CPA

Simon J. Sheather, Ph.D., is Dean of the Gatton College of Business & Economics; Jennifer Siebenthaler, M.S.A., CPA, is Associate Dean for Undergraduate Affairs.

The College of Business and Economics was established at the University of Kentucky in 1925 as the College of Commerce. The name was changed to College of Business and Economics in 1966. The name was changed again in 1996 to the Gatton College of Business and Economics.

The objective of the instructional programs in the Gatton College of Business and Economics is to prepare the student for a lifelong career in business, government, or research and teaching. The programs are structured to provide each student an opportunity to acquire a background in the basic areas of the arts and sciences, to obtain a broad knowledge of business and economics, and to study in depth one or more fields of special interest.

Accreditation

The Gatton College of Business and Economics is a member of the AACSB – the Association to Advance Collegiate Schools of Business, which accredits undergraduate programs in accounting, business administration, and economics as well as master’s programs in accounting and business administration. The programs of the college enjoy the Association’s full accreditation.

Undergraduate Programs in Business and Economics

The University of Kentucky grants the following degrees in the Gatton College of Business and Economics:

- Bachelor of Business Administration
- Bachelor of Science in Accounting
- Bachelor of Science in Business Administration
- Bachelor of Science in Business and Economics

Students pursuing the Bachelor of Business Administration may select from these majors: Finance, Management, and Marketing. In addition to these major choices, students exploring a business degree may select exploratory studies in business until they are ready to declare a major in the Gatton College or until they earn 60 credit hours.

Undergraduate Certificates in Business and Economics

The University of Kentucky grants the following undergraduate certificates in the Gatton College of Business and Economics:

- Financial Planning
- General Business
- Global Scholars

ADMISSION POLICY

Admission to the University is sufficient for lower-division admission to the Gatton College of Business and Economics for students with less than a junior standing. However, lower-division admission to the college or any admission to the University does not guarantee upper-division admission to one of the degree programs in the Gatton College of Business and Economics. In general, admission depends upon the qualifications and preparation of the applicants, as well as the availability of the resources for maintaining quality instruction.

Upper-division admission into a degree program is necessary in order to be granted a baccalaureate degree from the Gatton College of Business and Economics. Students who have attained a 3.0 or higher cumulative grade-point average overall and in the premajor component required of all students in the Gatton College of Business and Economics will be assured admission.

Annually the Gatton College of Business and Economics will review the admission requirements and determine the cumulative grade-point average (Annual Admission GPA), if any, that would be acceptable below the 3.0 standard. The Annual Admission GPA (both overall and in the premajor component) will be no lower than 2.5 (see “Appeal Process” below for special circumstances). This GPA will be made available in the Undergraduate Resource Center of the Gatton College of Business and Economics by **October 15** of each year. This GPA will be effective the following **May 1** for any student applying for upper-division admission to the Gatton College of Business and Economics, regardless of the time of his/her enrollment in the University.

To be considered for upper-division admission to any of the undergraduate degree programs offered by the Gatton College of Business and Economics, an applicant must fulfill the following requirements:

1. Enrollment in the University of Kentucky. (Students are considered for acceptance by the college only after acceptance by the University of Kentucky.);
2. A minimum cumulative grade-point average of 3.0 or the current Annual Admission GPA, whichever is lower;
3. Completion of the premajor component required of all students within the Gatton College of Business and Economics with a minimum grade-point average of 3.0 or the minimum current Annual Admission GPA, whichever is lower. (The courses meeting the premajor requirements are listed under “Graduation Requirements” below.);
4. Submission of an application form to the Gatton College of Business and Economics. The application is available on the web at: mygatton.uky.edu/.

Applications from students outside the University of Kentucky seeking admission to the Gatton College of Business and Economics, whether for upper-division or lower-division status, must be received by the Office of Undergraduate Admission by the approved deadlines. These deadlines are listed on page 20 in the *Undergraduate Admission* section of this Bulletin.

Students enrolled in other UK colleges on campus should apply for admission **prior to** the priority registration period. (The appropriate deadlines are listed in the University calendar for approved times to change major).

Lower-division students enrolled in the Gatton College of Business and Economics should apply for upper-division admission to the college during the semester they are completing the premajor course work. The application for upper-division admission should be made before the priority registration period for the upcoming semester.

Lower-division students in the college who are missing no more than two premajor courses will be permitted to complete these courses simultaneously with enrollment in restricted course work if they are otherwise eligible. Eligibility is determined by attainment of the minimum cumulative and premajor grade-point standings. This privilege will be granted for one semester only.

Students not admitted to an upper-division program in the Gatton College of Business and Economics should be aware that others may be given preference for enrollment in the restricted upper-division courses offered by the Gatton College of Business and Economics.

Enrollment in restricted Business and Economics courses numbered 300 or above will be limited to:

1. Enrollment in the University of Kentucky.
2. A minimum cumulative grade-point average of 3.0 or the Annual Admission GPA, whichever is lower.
3. Completion of the premajor component with a minimum cumulative grade-point average of 3.0 or the Annual Admission GPA, whichever is lower.
4. Submission of an application.

In the event of capacity limitations, enrollment preference would be made in the above order.

For applicants from non-English speaking countries, see the information on “International Students” in the *Undergraduate Admission* section of this Bulletin.

Appeal Process

Students with a GPA below the Annual Admission GPA and who have completed all premajor requirements may appeal for admission into the Gatton College of Business and Economics. If the Appeals Committee feels that there is persuasive evidence that personal, academic or professional circumstances have affected a student’s grades and that the student shows promise for successful completion of a degree in the Gatton College of Business and Economics, acceptance may be granted. Information about the appeals process is available in the Undergraduate Resource Center in 144 Gatton College of Business & Economics Building. Students can submit appeals online at myGatton.uky.edu.

Dean’s List

Students who have a term grade-point average of 3.6 or greater will appear on the Dean’s List.

Probation and Academic Suspension

The following rules apply to students in the Gatton College of Business and Economics.

1. No student with a cumulative GPA of less than 2.0 will be enrolled in the Gatton College of Business and Economics. Any student who fails to maintain a cumulative GPA of 2.0 will be suspended from the Gatton College of Business and Economics and will not be readmitted until this GPA is 2.0 or greater. No probationary notice will be given.
2. Any student enrolled in the Gatton College of Business and Economics who achieves a GPA of less than 2.0 in any semester will be placed on probation.
3. Any student on probation who fails to achieve a 2.0 semester GPA will be dropped from the Gatton College of Business and Economics and will not be readmitted until he or she has obtained a semester GPA of 2.0 or greater and the student’s cumulative GPA is 2.0 or greater.
4. Students who are suspended twice from the Gatton College of Business and Economics will not be readmitted.

Scholarships

The Gatton College of Business and Economics is proud to offer scholarship opportunities to incoming freshmen, returning students, and international students. The available scholarships may be based on academic performance, financial need, program of study, ethnicity and/or residency. Students are encouraged to apply for Gatton scholarships each academic year. The application, as well as information regarding deadlines and selection process, can be found at: www.gatton.uky.edu/programs/undergraduate/scholarships-financial-aid.

DIVISIONS

VON ALLMEN SCHOOL OF ACCOUNTANCY

The faculty in the Von Allmen School of Accountancy is committed to providing the best possible educational experience for students. The faculty has both breadth and depth of training and experience in public accounting, industry, government and regulated industries, and previous classroom experience.

DEPARTMENT OF ECONOMICS

The Department of Economics provides theoretical and applied courses in widely diverse areas including urban problems, labor, monetary economics, international economics, comparative economic systems, and economic history.

DEPARTMENT OF FINANCE AND QUANTITATIVE METHODS

Finance

The Finance major offers a variety of courses, both to students who concentrate their studies in finance and to those who desire additional knowledge in various financial areas. Such areas include financial management, security analysis and portfolio management, capital market theory, banking and institutions, and real estate.

Analytics

NOTE: The Gatton College of Business and Economics has suspended admissions to the B.B.A. in Analytics for the 2019-20 academic year.

This degree program focuses on Business Analytics, which involves an organization's integrated use of technological and quantitative methods to process data and gain insights in the course of making decisions. The objective of Business Analytics is to help an organization reach decisions leading to actions that yield strong performance and sustained competitiveness in the context of today's turbulent, fast-paced, global business environment. The major covers application areas such as information systems, operations, and supply chain management.

DEPARTMENT OF MANAGEMENT

The faculty in the Department of Management brings extensive academic and practical experience to the classroom. Course offerings cover an array of management areas such as human resources, organizational behavior, and strategic management policy.

DEPARTMENT OF MARKETING AND SUPPLY CHAIN

The faculty in the Department of Marketing and Supply Chain has extensive experience in industry and government and includes individuals with interests and training in all areas of marketing. Aspects of marketing such as research, retailing, promotion, personal selling and strategy are covered in marketing course work.

GRADUATION REQUIREMENTS

All students in the Gatton College of Business and Economics must fulfill the UK Core requirements as outlined in the *UK Core* section of this Bulletin, the premajor requirements, the college core requirements, and major requirements. Additionally, students must fulfill the College requirements listed below.

College Requirements

To graduate from the Gatton College of Business and Economics, a student must have a total of 120 credit hours (exclusive of lower division military science courses, physical education service courses, remedial courses, and performance-type courses) with a 2.0 grade-point average. Students are required to earn at least 50 percent of their business credit hours required for the business degree at the University of Kentucky. A minimum GPA of 2.00 is required in all courses taken at the University of Kentucky used to satisfy the college core. Additionally, a minimum GPA of 2.00 is required in all courses taken at the University of Kentucky used to satisfy upper division departmental requirements.

Students must complete CIS 300, Strategic Business and Professional Communication (W). CIS 300 fulfills the Graduation Composition and Communication Requirement (GCCR).

Each student's undergraduate curriculum must include at least 60 earned credit hours of courses outside the Gatton College of Business and Economics. Up to nine credit hours of economics and up to six credit hours of statistics may be counted toward the number of earned credit hours outside the Gatton College of Business and Economics.

UK Core Requirements

See the *UK Core* section of this Bulletin for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.

Electives

Each of the degree programs affords the student considerable opportunity and freedom of choice to take elective courses. The number of electives will vary depending on the student and their major. Each student must meet the general minimum hours for graduation. Students pursuing a second degree must have a minimum of 144 hours. Military science (lower division), music performance, and KHP activity courses do not count for electives. A maximum of six hours of technical courses can be counted for electives. A total of four electives may be taken on a pass/fail basis if they are not being used for any other type of requirement, nor taught through the student’s major department(s).

Policy on Experiential Education

Gatton College of Business and Economics’ faculty work with the Graham Office of Career Management to provide students with the opportunity to intern in a business-related field. The College allows a student to apply toward graduation a maximum of six credit hours (pass/fail option only, maximum of three credit hours in any single semester) of internship credit earned at the University of Kentucky. For further information, visit: gatton.uky.edu/career.

Advising

The Undergraduate Resource Center (144 Gatton College of Business and Economics Building) coordinates the academic advising of business students. Undergraduate Certificate in Global Scholars

The Global Scholars Program is a four-year honors program for high-achieving, highly-motivated business students who have a passion for leadership and international business. Every Global Scholar will study abroad for at least one semester and complete a Minor in International Business.

The Program's mission is to develop perceptive business professionals well-equipped to confront challenges of a global environment through specialized curriculum and co-curricular activities designed to enhance any Gatton major. Through successful completion of the Program, students should accomplish the following goals:

- Develop an appreciation of a global business perspective
- Develop the ability to communicate and work effectively in diverse teams
- Gain knowledge and exposure to international business practices and environments
- Galvanize leadership and professional skills through scholastic rigor and community engagement

In pursuit of these goals, the Global Scholars Program values:

- Academic excellence
- Self-discovery and creativity
- Professionalism
- Teamwork
- Diversity of opinion, ethnicity, culture, and experience

For more information about the Global Scholars program, visit:

www.uky.edu/academy/honors-global-scholars.

Academic Curriculum

Academic Standards

Global Scholars students are held to higher standards. Students earning a 3.4 UK cumulative grade-point average (GPA) are in good academic standing within the Global Scholars Program. Students earning less than the expected 3.4 cumulative GPA are still in good academic standing if they meet the minimum standards outlined below:

GPA Requirements

- End of First Year: 3.0 cumulative UK GPA
- End of Second Year: 3.2 cumulative UK GPA
- End of Third Year through Graduation: 3.4 cumulative UK GPA

Students who earn less than a 3.0 term GPA during their first semester will automatically be placed on probation. Sophomores and Juniors can also be placed on probation if their term and/or cumulative GPA is below the minimum standard and are not demonstrating progress towards the 3.4 cumulative UK GPA.

Global Scholar students must also meet the general academic standards of Gatton College. All standards of the University of Kentucky, such as academic honesty and integrity, must also be upheld. Should a student fail to meet any of these standards, this may warrant immediate expulsion from the Global Scholars Program. In some cases, the student in question may be eligible for Global Scholars Program probation.

GRADUATE PROGRAMS

The Gatton College of Business and Economics offers the following graduate degrees through the Graduate School at UK: (1) Master of Science in Accounting, (2) Master of Business Administration, (3) Ph. D. in Business Administration, (4) Master of Science in Economics, (5) Ph.D. in Economics, and (6) Master of Science in Finance. Subject: Substantive Change Decision

Dear Rena Keath,

Thank you for submitting your proposed program change(s) to **All undergraduate programs housed in Gatton, including the minor in business, Bachelor's (52.0101, 52.0201, 52.0301, 52.0801, 52.1401, 52.0601).**

My email will serve 2 purposes: 1.) Next steps for SACSCOC, and 2.) Verification and notification that you have contacted OSPIE—a Senate requirement for proposal approval.

1. **Next steps for SACSCOC:** None required
2. **Verification that OSPIE has reviewed the proposal:** Based on the documentation provided and the Substantive Change Checklist, the proposed program changes (refer to list below) are not substantive changes as defined by the University or SACSCOC, the university's regional accreditor. Therefore, no additional information is required by the Office of Strategic Planning & Institutional Effectiveness at this time. The proposed program change(s) may move forward in accordance with college and university-level approval processes.

Description of Proposed Change(s):

· The Gatton College of Business and Economics proposes to add MA 137, Calculus I, as a math option for the premajor requirements. Support from the Math Department was provided.

Should you have questions or concerns about UK's substantive change policy and its procedures, please do not hesitate to contact our office.
