Campus Safety App

16

What Can the App Do?

- Report tips to campus police, the Community of Concern and soon for maintenance requests.
- Call or text campus 911, while providing real-time GPS location throughout the call or text conversation.
- Look up campus safety resources, emergency procedures and campus information.
- Peer-to-peer SafeWalk allows students to virtually walk together anywhere in the world. Students can also request a ride home from any of three campus ride services.

One stop shop for emergency information, on campus resources and community resources.

Get walking directions to any building on campus, find hospitals, gas stations, police departments and other important community buildings through the integrated map.
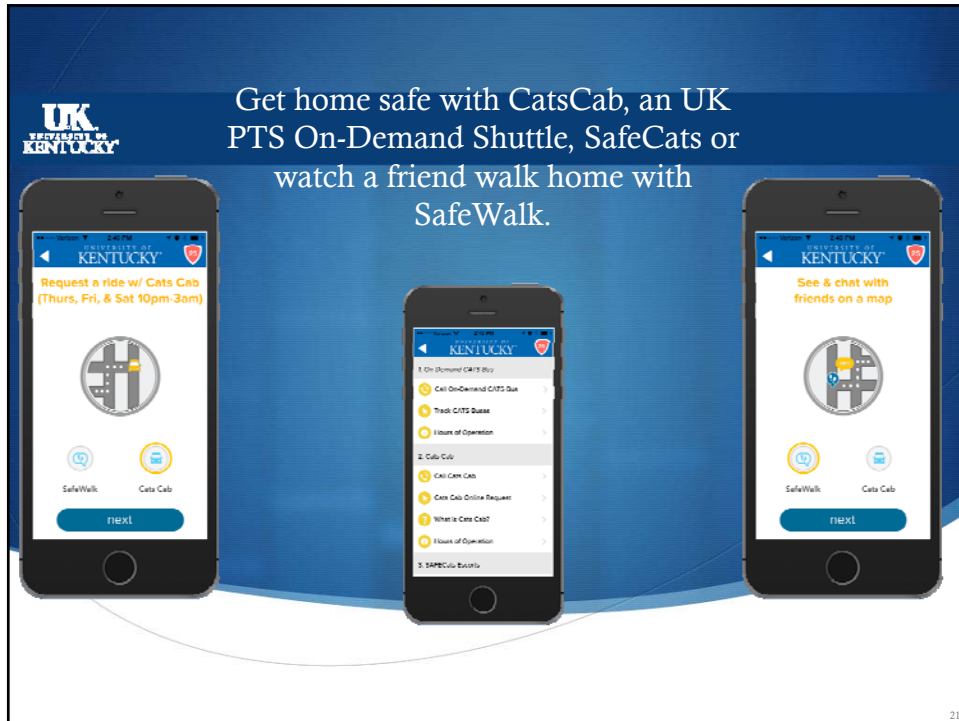

Call 911, call campus police or message campus 911 right through the app. All three options give first responders real-time GPS information on the caller.

Get home safe with CatsCab, an UK PTS On-Demand Shuttle, SafeCats or watch a friend walk home with SafeWalk.

By the numbers:

- 4,100 downloads
- 70 tips to police
- 32 emergency contacts (voice or text)
- 1,000+ SafeWalks
