

## **Recommendations for University Scholars Programs Not Approved by Senate at the University of Kentucky from Senate Academic Programs Committee**

*The SAPC is asked to make a recommendation about what to do with the USPs that did not receive Senate approval. Many were approved by the dean of the Graduate School, only, but it is not clear if Graduate School dean approval at that time was officially sanctioned by Senate or was a series of inadvertent errors.*

USPs according to Graduate School -

Recommendation:

- 1) Contact all USPs not approved by the senate. Ask them to submit the USP paperwork by August 31, 2017 to the Senate Council office. Proof of college level review/minutes, will not be required.
- 2) They will then be forwarded together to SAPC to be reviewed and approved no later than September 30, 2017. They will then be forwarded to Senate Council and Senate for approval.
- 3) For USPs that colleges think they have, but there is no record for: Dean of the Graduate School will contact the DGSs who have inquired and ask them to also submit their program paperwork, with proof of College level review, no later than August 31, 2017. It will then be reviewed by the Graduate Council and proceed through the normal approval processes.
