**Subject:** Master of Health Administration program change

The SAASC convened on Wednesday, November 28, 2018 to consider a proposal from the College of Public Health, Department of Health Management & Policy for a change in the Master of Health Administration program reducing the credit hours for one course from 3 to 1 credit hour.

Attendance: Susan Effgen, Shawn Caudill, Kevin Donohue, Herman Farrell (Chair), Annie Weber (ex-officio).

Procedure:

Rebekah Epps, a member of the SAASC, acted as facilitator of the proposal.

Discussion:

Epps was unavailable for the meeting, so the chair served as facilitator in her stead. It was noted that Epps had corresponded with the contact person to make a revision to the language of the rationale section (#13) on the form. The change was made via email and the committee has asked that the change also be made to the Change Masters Degree Program Form.

The SAASC acknowledges that this is another “minor change” that should probably not need to be reviewed the SAASC or SC but should follow a transmittal procedure. The SAASC is working on the creation of a “minor change” rule and will consider and vote on it at its first meeting in January 2019.

In the interim, there was general support for the proposal, as revised.

Vote: 5 in favor (Epps, in absentia) 0 opposed.

PS, Martha Riddell will soon forward to us the revised form.
