- Guiding principle: Our staff, faculty and student workers are our most important resource.

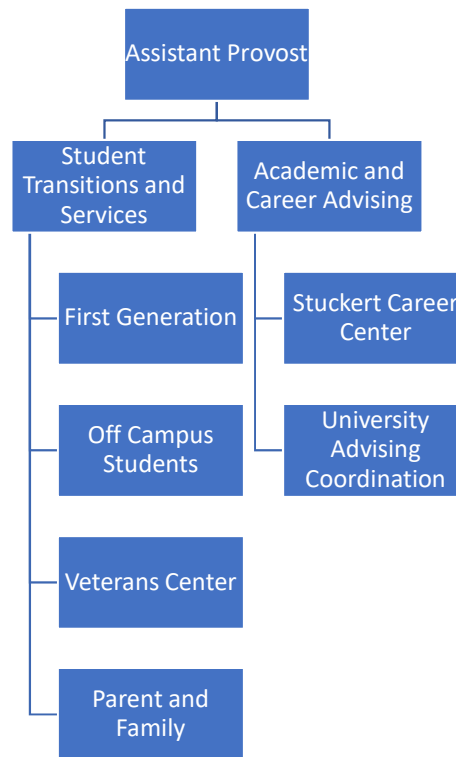

Dean of Students

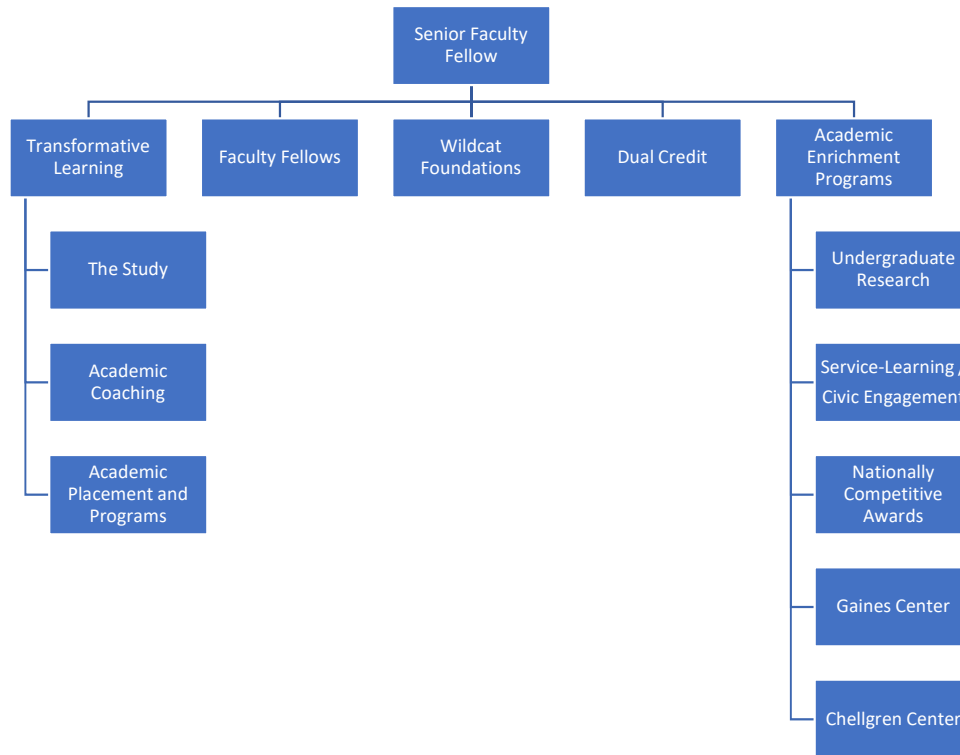

Student Well-being

Student and Academic Support

Academic Enhancement

SAL's Conceptual Framework/Programmatic Curriculum

- Equity through social justice
- Resilience through holistic well-being
- Collaboration through connection
- Integrity through identity development
- Innovation through curiosity

SAL's Strategic Directions

- Creating a **holistic well-being** experience
- Closing the **achievement gap for first-generation students**
- Developing an **integrated first-year experience** for all UK undergraduate students
- Implementing an **integrated coaching** model across all student services
- Building out a unified **research agenda** that marries the academic and student affairs perspectives and work

SAL/UK HR/UK Integrated Medicine Pilot

- Stress reduction pilot initiative
- \$300 wellness credit
- January 1 – June 30, 2020
- Pre-survey/post-survey lead by Professor Corrine Williams
- Potential for expanded pilot
